

Please DO NOT relax the rules and regulations of TITLE 15 section 1632 and 1637 of reg. Z of the truth in lending act.

As a concerned consumer, I recommend that Reg. Z remains as is and should not be changed. I want to remain protected.

Require a schumer Box, on the final agreement after a credit card is issued. This way the consumer will be able to see if they are actually being charged the same rates and fees as they thought.

Sincerely,

concerned consumer
